2950 INDUSTRIAL CT., FAIRFIELD, CA 94533
TELEPHONE (707) 437-1116 FAX (707) 437-1187

MOSQUITO CONTROL TECHNICIAN

Solano County Mosquito Abatement District is now accepting applications for the position of Mosquito Control Technician. Under general direction, this position performs an array of mosquito surveillance and control functions and other duties as assigned.

Duties, responsibilities, qualifications

Please see the attached job description for stated duties and responsibilities.

Compensation

Salary: \$6,556.16 to \$8,785.92 monthly (\$78,673.92 to \$105,431.04 annually)

Benefits: Health insurance benefits, medical/rx, after 6-month probationary period-dental and vision. Vacation (minimum ten days, maximum twenty-five days), sick leave (12 days/yr), holidays (12 days/year and winter recess), retirement (CALPERS) and an optional deferred compensation plan.

This position is covered by a collective bargaining agreement with SEIU Local 1021.

Selection

The district manager will review all applications meeting minimum education and experience and select those most qualified to participate in an interview, and written exam.

Interested parties who meet the qualifications must submit a District application listing three (3) verifiable and up-to-date work references. To obtain an application, please contact Solano County Mosquito Abatement District at 2950 Industrial Ct., Fairfield, CA 94533.

This position is open until filled.
